TRANSMITTAL LETTER

In response to the Notification of Non-Compliant Appeal Brief under 37 CFR § 41.37 mailed May 15, 2006, Appellant submits the attached Supplemental Appeal Brief satisfying all requirements set forth in said Notice. The Office has indicated that the Appeal Brief fails to comply with the requirements of 37 CFR § 41.37. Appellant respectfully disagrees. Specifically, the Office has suggested that the Appeal Brief failed to recite, with specificity, support for the description of each of the independent claim under the heading Summary of Claimed Subject Matter. In order to expedite the prosecution of this application, Appellant has supplemented any previously supplied examples of support for each independent claim with at least one example by page and line number. Since the previously submitted Appeal Brief filed on February 27, 2006 already contained specific examples, including reference numerals of features shown in the drawings, Appellant submits that the enclosed Supplemental Appeal Brief is fully compliant and should be promptly considered by the Office.
